

## Defendants

Judge James B. Zagel

WHEREFORE, for the reasons set forth in the defendants' Memorandum of Law, submitted herewith, the defendants request that this court enter an order granting them judgment as a matter of law. Alternatively, defendants are entitled to a new trial, or to have the judgment altered or amended, because the evidence adduced at trial did not support the verdict against the defendants, plaintiff's inflammatory remarks deprived defendants of a fair trial, flawed jury

instructions prejudiced defendants and the evidence introduced at trial does not justify the jury's assessment of compensatory damages.
